Experienced & Dedicated Staff:

Our teachers are highly qualified, passionate, and committed to individualized attention. We maintain a low teacher-to-Pupil ratio, ensuring every Pupil receives the support they need to thrive

Proven Results:

We consistently achieve top performance in national examinations, a testament to the quality of our instruction and the dedication of our teachers and Pupils.

Our School produced the top performers in primary leaving examination at national level for a period of 16 years.

Beyond the Textbook:

We go beyond rote learning by emphasizing critical thinking, presentation, problem-solving, and communication skills—the true tools for 21st-century success.

Beyond the Classroom: Extracurricular Activities

We believe that true education extends beyond the curriculum. Our diverse range of activities is designed to foster creativity, leadership, teamwork, and physical well-being, ensuring every child discovers and develops their unique talents.

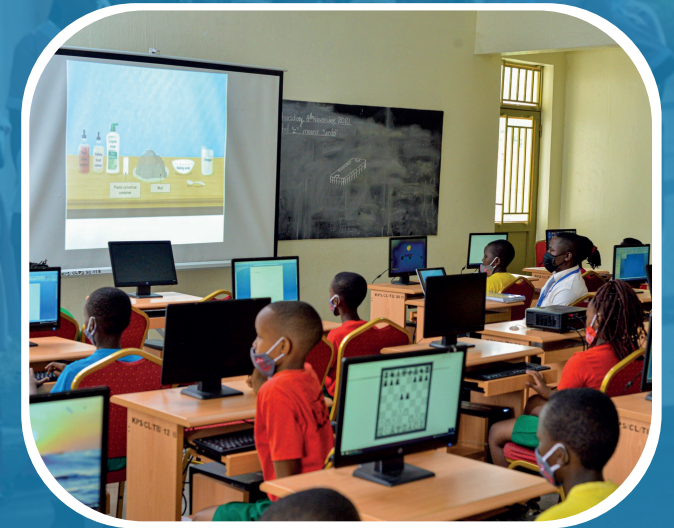

Our strength

Integrated ICT:

We use e-learning screens and computer labs to make learning interactive and technologically relevant from an early age.

Moral & Value Education:

The curriculum integrates key Rwandan values, emphasizing ethics, integrity, patriotism, and respect for others, ensuring holistic character development.

Pathway to Success:

Our rigorous academic program is structured to prepare every Primary 6 graduate not just for the national exam, but for a smooth transition and excellence in the best secondary schools.

Daycare Program

Kigali Parents' School offers a dedicated Daycare Service primarily for children in their Nursery sections

Our daycare is designed to support working parents, particularly those who may not be able to pick up their children at midday, allowing children to stay at school for the full afternoon
